

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON

WILLIAM MICHAEL KRAL,

Plaintiff,

v.

KING COUNTY, a Washington municipal  
corporation, and WASHINGTON  
ASSOCIATION OF SHERIFFS AND  
POLICE CHIEFS, a Washington corporation,

Defendants.

No. C10-1360-MAT

STIPULATION AND ORDER  
EXTENDING DEFENDANT WASPC'S  
REPLY TIME

**I. STIPULATION**

The Court's February 9, 2012 Minute Order allowed Plaintiff additional time to submit a Response to Defendant WASPC's Motion for Summary Judgment, and ordered that WASPC submit a Reply on or before February 17, 2012. Because this additional briefing schedule was not contemplated or planned for, the Reply timeline causes scheduling and timing conflicts for WASPC to adequately reply.
